

Pradhan inaugurates centres for nano technology and Indian Knowledge System at IIT Guwahati

Union Minister of Education, Skill Development and Entrepreneurship Dharmendra Pradhan on Sunday visited IIT Guwahati and inaugurated the state-of-the-art Centre for Nanotechnology (CNT) and Centre for Indian Knowledge System (CIKS) as well as two hostels at the Institute.

Pradhan also released a book on NEP 2020 implementation at the institute.

Speaking on the occasion, Pradhan congratulated IIT Guwahati for achieving excellent rankings in various international and national ranking systems and appreciated the efforts of IIT Guwahati for creating an ecosystem for research and education as well as focusing on overall development of the northeastern region.

The Union Education Minister also said that IIT Guwahati has to play an important role in areas like, disaster management, biodiversity-based

research, green energy development, strengthening knowledge-based economy and driving entrepreneurship among the students.
